

Maintain safety

- It is your responsibility to ensure that the waste is placed and maintained safely until collection, even if it is disturbed by others.
- Items must be able to be handled safely by 2 people.
- Items requiring 2 people to lift (such as wardrobes or sofas) should be placed to one side of the items for collection so they are easy to access.
- Place your waste clear of the footpath or road, in a safe and secure manner (eg. remove or flatten nails).
- Don't stack items too high.
- Lay tall items down (eg. bookcases and wardrobes).
- Tape shut doors or remove doors on fridges and freezers.
- Smaller items should be tied, wrapped or put in bags or boxes so that the collection is easy and efficient.

Label

- If you have received a hard waste booking label with adhesive backing, peel off the backing and attach the label to an item (preferably not metal) so that it is clearly visible from the road.
- If you have received an email booking confirmation, please print the label and attach it to an item.

What to do with materials that won't be collected

Ask Bindy, the Waste and Recycling Chatbot, available 24/7 at westtorrens.sa.gov.au. Bindy will link you to the A-Z Guide to Waste and Recycling at westtorrens.sa.gov.au/a-zrecycling. You can also phone the City of West Torrens on 8416 6333.

Cancellation

If you no longer require the collection, please cancel no later than two business days before the hard waste collection day. Failure to cancel will result in the loss of a collection from your annual entitlement.

Phone Solo Resource Recovery on 8295 5077 during office hours Monday to Friday, 7am - 6pm or email adelaide.ops@solo.com.au.

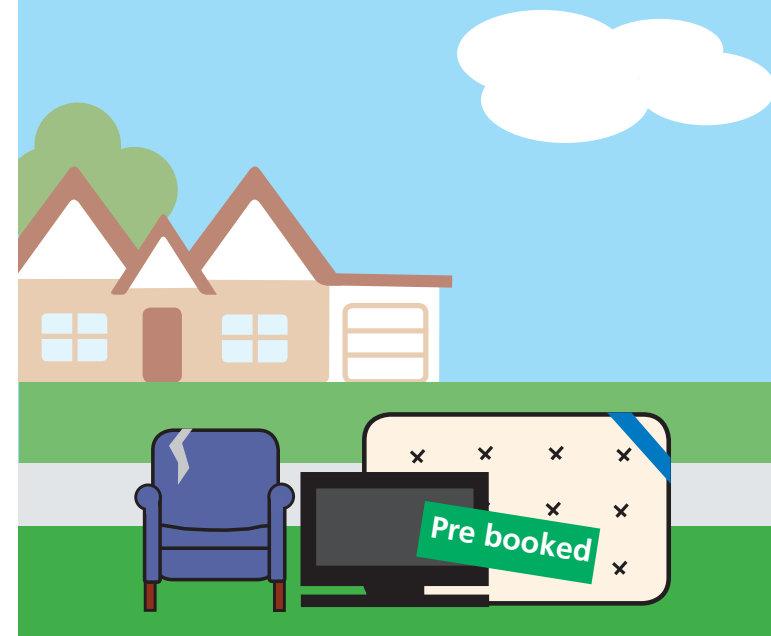

Note

- This service is for residential properties only.
- For recycling purposes, a separate vehicle may collect some items.
- A significant quantity of the hard waste collected can be recycled.

The 'At Call' Hard Waste Collection Service is conducted in partnership with Solo Resource Recovery.

Putting out your hard waste

Read this before placing your items out for collection.

For further information visit westtorrens.sa.gov.au/hardwaste

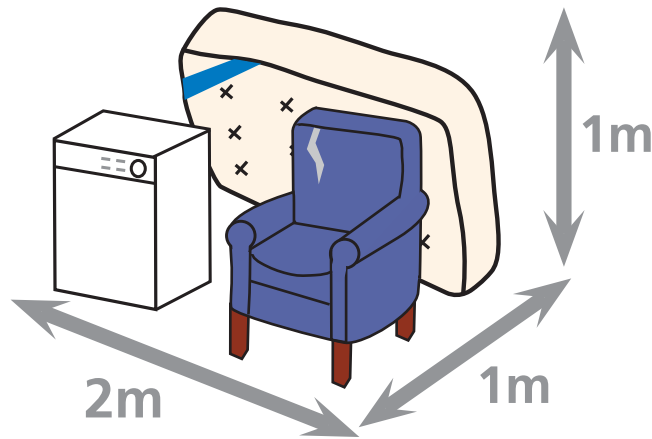

When to put items out

- Items must be placed out for collection before 7am on your collection day.
- Items placed out on the verge earlier than the weekend before your collection will be considered to be illegal dumping and may incur an illegal dumping fine.
- The earlier items are placed out on the verge, the greater the chance that others may add items. This may result in the items exceeding the permissible volume and some items (whether suitable for collection or not) may not be collected. You will be responsible for disposing of these items.

How much waste to put out

- There is a limit of 2 cubic metres (2m x 1m x1m) per household.
